This Season's New Jewels

J.Lo is Casper's Stylist

"He's like Jennifer's own little dress-up doll," says a pal of the singer's.

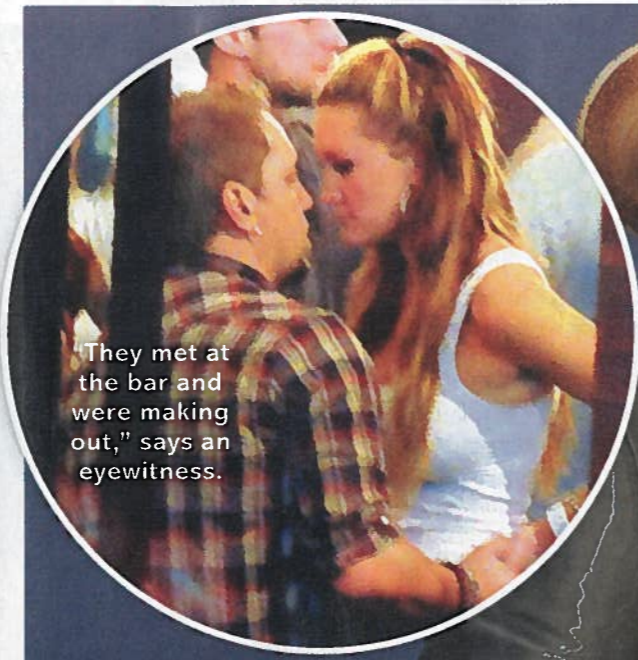

Casper Smart, 25, may be all grown up, but he still has someone picking out his clothes for him in the morning: his girlfriend, Jennifer Lopez, 43. "She dresses Casper from head to toe," a pal of Jennifer's tells *Life & Style*. "Every morning Jennifer lays out his outfits, from shirts to shoes to jacket to scarves — she doesn't forget a thing."

Mario's Wedding Details Revealed

On Dec. 1, wedding bells will chime for Mario Lopez and his girlfriend of four years, dancer Courtney Mazza, 30, in Punta Mita, Mexico. The *Extra* host, 38, is already dishing details on the event. "Our [2-year-old] daughter, Gia, will be the flower girl," Mario tells *Life & Style*. The groom-to-be is in charge of the entertainment for the couple's 150 guests. "We'll have mariachis, a DJ and salsa music."

"I just want to make sure everyone has a good time!" Mario tells *Life & Style*.

"They met at the bar and were making out," says an eyewitness.

Jason Betrays His High School Sweetheart

It has all the makings of a sad country song. Platinum-selling singer Jason Aldean, who's been married to his high school sweetheart Jessica Ussery since 2001, was caught kissing ousted *American Idol* contestant Brittany Kerr at an LA bar Sept. 26. Photographers snapped the 35-year-old crooner and the blond stunner cuddling, smooching, and dancing extremely close at The Den, before he took off in a cab. "The truth is that I screwed up."

Jason admitted on his Facebook page four days after the tryst. "I had too much to drink, let the party get out of hand, and acted inappropriately at the bar." While the "Big Green Tractor" singer, who has two children with his wife, claims nothing more happened with Brittany, he was quick to apologize to fans. "I ultimately ended up embarrassing my family and myself. I'm not perfect and I'm sorry for disappointing you guys." **LS**

Feelin' Guilty

"I left alone, caught the bus to our next show," Jason, here with his wife, said of his illicit rendezvous. "That's the end of the story."
