CAMILA ALVES GIVES OK! THE DISH

MY EATING HABITS IN ONE WORD
"Balanced."

FAVE DISH TO COOK FOR MY HUSBAND, MATTHEW MCCONAUGHEY

"I love cooking fish: a gray branzino; it's a great whitefish. And salmon."

LAST TIME I SKIPPED A MEAL

"The last time was right now. I didn't have breakfast, so this morning was a bit fuzzy."

LEAST HEALTHY THING I'VE EATEN ALL WEEK

"French fries — it's my comfort food."

HEALTHIEST THING I'VE EATEN ALL WEEK

"Watermelon. It's refreshing, and a lot of watermelon keeps you alert."

ONE FOOD I CAN'T RESIST

"Chips and salsa... I can sit next to a basket and eat until I feel sick, take a break, and then start all over again."

Camila is a brand ambassador for INC International Concepts apparel.

OK! GOES BACKSTAGE AT THE 2012 EMMY AWARDS

THE LAUGHTER AND THE FUN WENT ON ALL WEEKEND LONG, AS THE STARS HUNG OUT WITH OK!

You saw the excitement live on TV during the 2012 Emmy Awards, but OK! also hung with the stars for two days at The Emergen-C Gift Lounge Backstage at the Nokia Theatre in Celebration of the 64th Primetime Emmy Awards. Celebs like **Maria Menounos** and **Mario Lopez** sampled items like Bertolli sauces and frozen meals, checked out Shellac manicures and Kipling bags — and also proved they weren't afraid to get their hands dirty — as long as they got to hold Black & Decker Platinum Hand Vacs! For more, visit okmagazine.com/videos.

Carrie Ann Inaba and Brooke Burke Charvet, with the Hand Vacs, also were excited about Zerona Body-Sculpting Treatments.

Mario scored New Balance Minimus 1010s and an Aquaswiss watch.

Nick Zano and Kat Dennings called their New Era Caps "fedorable" before checking out TiVo Premiere 4 DVRs.

WHAT THE FUTURE HOLDS FOR OUR FAVE STARS!

FAMED PSYCHIC THOMAS JOHN PREDICTS WHAT'LL HAPPEN NEXT FOR KATIE, KIM, BRAD, ANGELINA, JEN AND JUSTIN...

Will Katie Holmes and Tom Cruise reunite?

"I don't feel Katie and Tom are getting back together — not at all. I actually feel like she will be very focused on her career for the next six months."

What's next for Kim Kardashian?

"To be honest, I think that the relationship Kim's in [with Kanye West] is an extended rebound, really. I think that she needs to just be single and on her own for a while."

Will Brad Pitt and Angelina Jolie marry?

"I don't see a marriage. I just feel like it's in this weird pending stage. To be totally honest, I feel like they may separate at some point. What I sense with him is that he has some commitment issues."

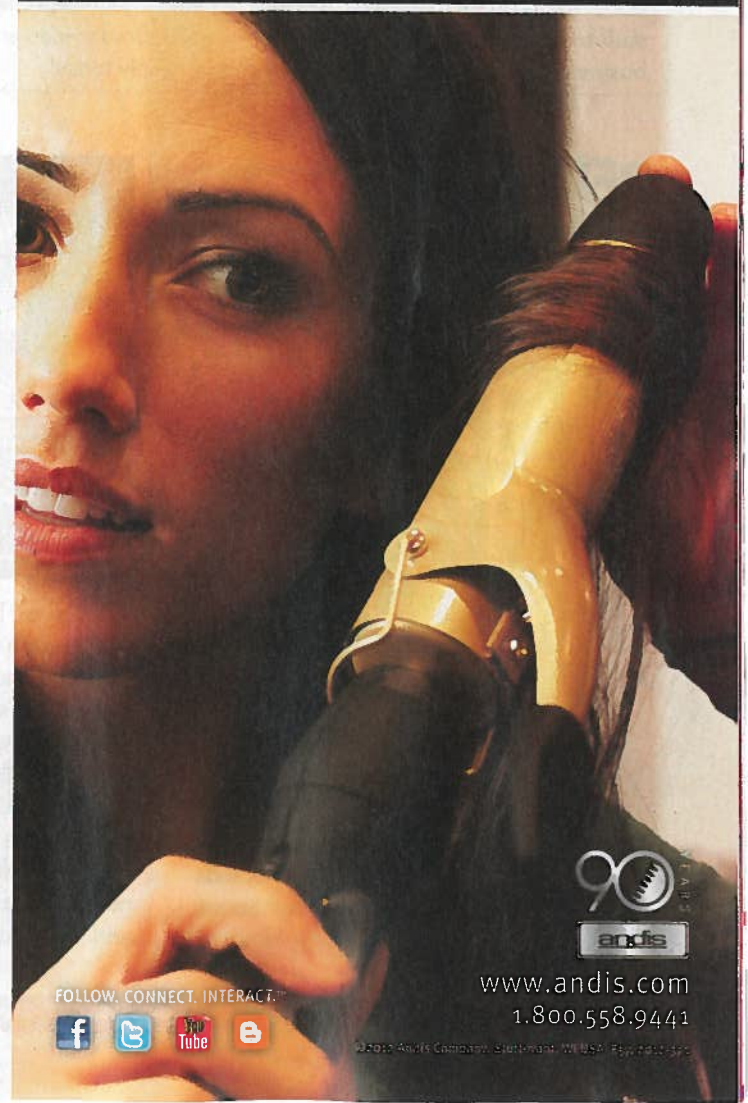

Will Jennifer Aniston and Justin Theroux live happily ever after?

"I think Jen is going to settle in with Justin. I don't think they're going to split up at all. I think that's it for her. What I feel is that they're a good balance and this is her last big relationship."
